It is proposed that Christina Detlefsen, Annika Fagerlund, Jan Lundblad, Jörgen Nordlund, Malte Roggentin and Per-Anders Wärn be re-elected as board members for the period until the end of the next annual general meeting. Christina Detlefsen is proposed to be re-elected as chair of the board.

KPMG AB has notified the company that Malin Forslund will be appointed auditor-in-charge of the company, should the meeting resolve in accordance with the proposal.

Resolution on an issue authorization for the board of directors (item 12)

The board of directors proposes that the annual general meeting resolves on issue authorization, mainly in accordance with the following.

The board of directors proposes that the annual general meeting authorizes the board of directors to, during the period until the next annual general meeting, on one or more occasions, with or without preferential rights for the shareholders, resolve on the issue of shares, warrants and/or convertibles, entailing an increase in the number of shares and votes in the company by no more than twenty-five (25) percent, based on the total number of shares and votes in the company at the time of the 2024 annual general meeting.

The issue resolution may be made against cash payment and/or by consideration in kind or by set-off. The subscription price shall correspond to the assessed market value of the share.

The rationale for the proposal and the reasons for deviation from the shareholders' preferential rights are to create opportunities for the company in the event of an acquisition of a company or business and to create flexibility in any capital raisings.

The board of directors further proposes that the annual general meeting authorizes the board of directors, or the person appointed by the board of directors, to make minor changes to the above resolution that may prove necessary for registration with the Swedish Companies Registration Office.
